GROUND PLAN

PRODUCTION OFFICES

INFO

On the upper floor of Hall 2, there are five production offices, each with an area of around 30 square metres, which can be rented in addition to the adjacent halls.

The open area between the production offices offers a further usable area of around 210 square metres.

STATION BERLIN

PRODUCTION OFFICES

USE

The spacious, lockable offices are particularly suitable as crew areas and artists' dressing rooms, but can also be used for smaller meetings, workshops or as quiet relaxation rooms during production.
