## GROUND PLAN

# SYMPOSIUM

## INFO

The 264 square metre Symposium is flooded with light and immediately creates a feel-good vibe.

It can be accessed both via the adjacent Hall 5 on the first floor and via the adjoining roof terrace. High vaulted ceilings, wooden floor and extraordinary windows give it a special atmosphere.

# SYMPOSIUM

## USE

The Symposium is particularly suitable for smaller conferences or board meetings. At the same time, the room offers an ideal setting for dinner events, press conferences, workshops and many other formats.
