VIADUCT

INFO

Exclusive events deserve exclusive spaces. The Viaduct is truly one-of-a-kind. And not just in Berlin.

With a clearance height of 11.2m, this industrial structure delivers an atmosphere of veritably ecclesiastical dimensions. The Viaduct is both an impressive foyer for each of the Halls, and can also serve as an event space by itself.

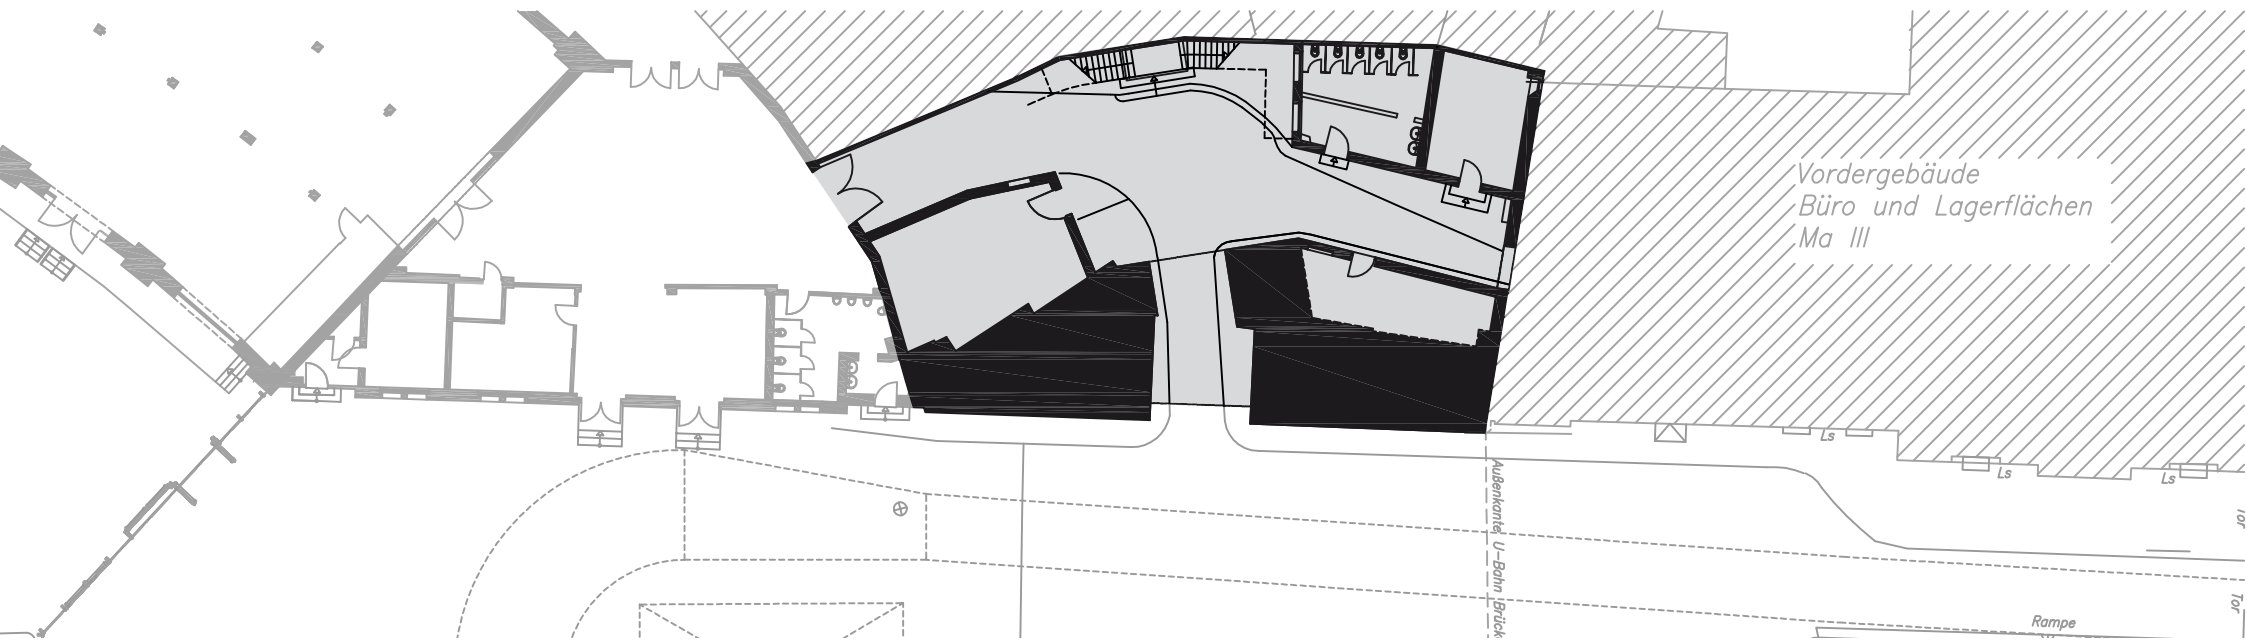

VIADUCT

USE

With its clearance height of 11.2m, this structure embodies an industrial architecture of virtually ecclesiastical proportion.

Simultaneously, the walls of historic masonry imbue it with warmth and intimacy.
