HALL 6

GROUND PLAN

HALL 6

INFO

The golden walls create an appealing atmosphere for extraordinary product presentations, customer events and team events for up to 500 individuals.

The hall is also the perfect reception space in combination with the use of Halls 4 and 5.

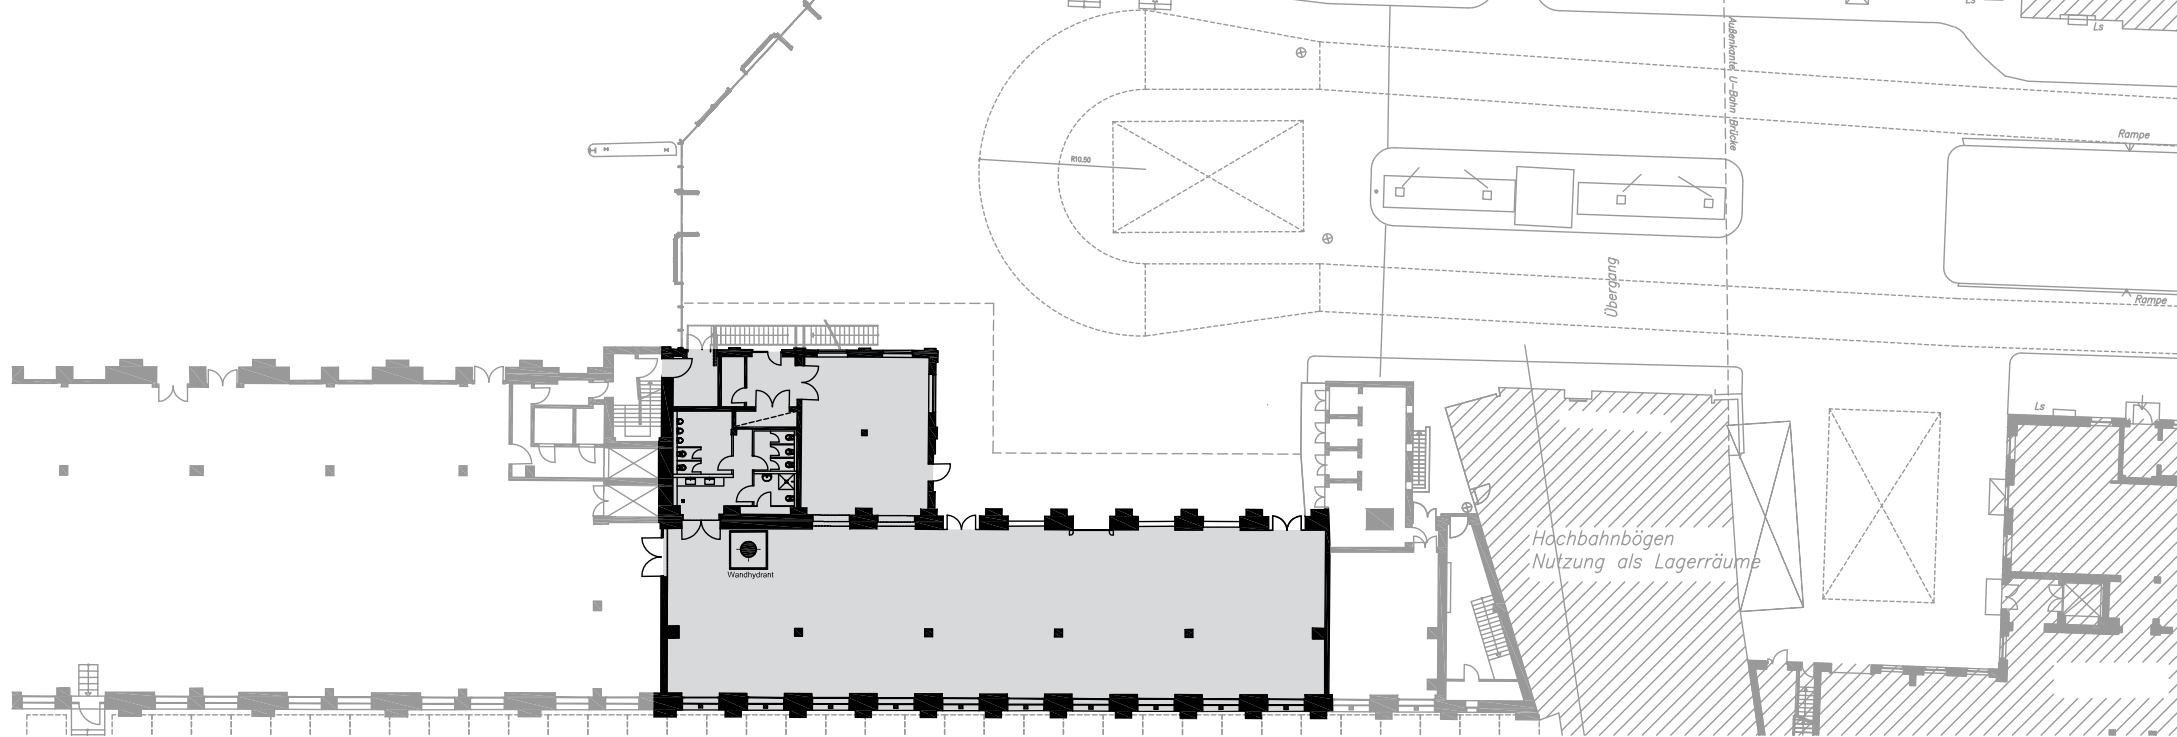

HALL 6

USE

Whatever the size of your event—a formal dinner, a showroom, a small event or an entrance hall for the spaces that lie behind it—Hall 6 is amazing in every respect and, upon request, it can be made accessible from a larger area, that is, from the inner courtyard by using multiple gates.
