STATION-BERLIN / STUDIO

Now available at STATION-Berlin: fully equipped digital studios in Hall 5, enabling you to connect with customers, partners or employees regardless of their location.

In addition to exceptional facilities, we offer comprehensive service packages to make planning your digital event quick and effortless, together with our partner Neumann & Müller Event Technology.

Choose between Basic, Deluxe or Hybrid studio options, depending on the nature and size of your event and your individual requirements.

We offer complete flexibility and would be pleased to expand or combine our service packages in accordance with your wishes.

Our hotel partner, the aletto Hotel Potsdamer Platz, is located directly across from STATION-Berlin.

In addition to modern rooms, the aletto Hotel Potsdamer Platz can also provide on-site catering for your team and event participants.

The following pages contain detailed information on our studio options.
